Murdoch House Care Home

Our team at Murdoch House have created a warm and friendly atmosphere surrounded by open countryside, in a quiet residential area of Wokingham, offering residential and respite care.

Our care environment

Murdoch House Care Home provides both residential and respite care, ensuring that residents receive the support they need in a comfortable and homely environment.

The facility is designed to cater to the needs of older adults, including those with conditions such as Parkinson's disease, stroke, and visual impairments. Murdoch House also features well-maintained gardens and a conservatory, providing residents with pleasant spaces to relax and enjoy the outdoors.

The care home places a strong emphasis on maintaining residents' independence and quality of life. With an ever-changing activities program, inspired by residents' interests and needs.

Our Care team run themed quizzes, bingo, afternoon tea, and games afternoons and provide hairdressing on-site and arrange events for special celebration days

Why choose us?

At Murdoch House Care Home, we provide our residents with the highest quality of care in a nurturing environment. Offering personalised care plans to ensure that residents receive the appropriate support for conditions such as Parkinson's disease, stroke, and visual impairments, while also enjoying a comfortable and homely setting.

Our residents also enjoy an engaging and full activities program, participating in everything from themed quizzes and bingo to afternoon tea - all designed to promote social interaction and mental stimulation. And our well-maintained gardens and conservatory areas provide serene spaces for relaxation and outdoor enjoyment.

Our types of care

Our care team at Murdoch House offers a variety of specialised care services designed to meet the diverse needs of our residents and their families. Our team and facilities are suited to provide a versatile range of care, supporting residents with both short and long-term needs across residential, dementia and respite care.

Residential care

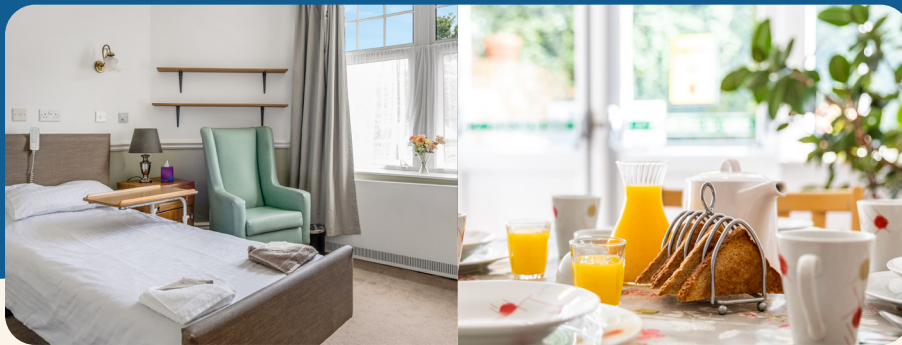

Our Residential Care teams provide a place where people can feel part of a family, make friends and explore new interests, be encouraged to maintain their independence. However you like to spend your days, we're here to help make it happen, supporting you on your entire care journey.

Dementia care

We support people living with dementia to maintain their uniqueness, their choice of lifestyle and live fulfilling, happy and active lives throughout their care journey. For us, it's not about the disease – it's about the person.

Respite and rehabilitation care

We provide respite and rehabilitation care that gives individuals time to relax and rest, safe in knowing we've got everything covered. Our care homes offer warm and welcoming environments and a community where individuals can create new friendships.

Creating an inclusive and connected community

At Murdoch House Care Home, we believe meaningful connections extend far beyond the walls of our care homes. Our care teams collaborate with local organisations, community groups, and charities to create vibrant events and activities that bring together our residents, their families, and the wider community. We regularly host workshops, educational sessions, fundraising events, and social gatherings that foster intergenerational connections.

These initiatives enrich our residents' lives while strengthening community bonds, combating isolation and creating a sense of belonging that enhances overall wellbeing. Our teams also actively participate in and support local initiatives, contributing our time and expertise to help build communities that are connected, inclusive, and thriving.

The team at Murdoch House are here for your entire care journey, supporting residents and their families.
