

Wombwell Hall Care Home

Set within peaceful tree-canopied surroundings in a quiet part of Northfleet, our team at Wombwell Hall provides person-centred care and wellbeing support to all our residents.

Our care environment

Wombwell Hall is a 120-bed care home set within peaceful tree-canopied surroundings in a quiet part of Northfleet, providing specialist residential, nursing, and palliative care for those living with dementia, Alzheimer's, Parkinson's, confusion, and other similar conditions.

The purpose-built care home is in a quieter part of Northfleet's urban community. Surrounded by green space and tree canopies, in a pleasant and peaceful position, yet benefits from easy access to amenities in the local town.

Having benefited from a thoughtfully designed refurbishment in 2024, the communal areas include spaces that enhance the wellbeing and daily lives of everyone who calls Wombwell Hall home, including dining rooms, lounges, day rooms, a conservatory, a hair salon, and treatment rooms.

Why choose us?

Our team at Wombwell Hall provide personalised care plans that consider not only medical conditions but also personal and dietary needs, individual likes and dislikes, religious preferences, and suggestions from family members. Our person-centred care delivery plan encourages and supports our residents to participate in their hobbies and embark on learning something new in a fun and inclusive environment.

The home has many places where residents can relax, dine, exercise, socialise and be creative. For example, the landscaped garden and patio are the perfect spot to spend time with friends and family, or with one of the many neighbourhood groups or volunteers who visit.

Our types of care

Our care team at Wombwell Hall offers a variety of specialised care services designed to meet the diverse needs of our residents and their families. Our team and facilities are suited to provide a versatile range of care, supporting residents with both short and long-term needs across dementia, residential, nursing, bariatric and respite care.

Dementia care

We support people living with dementia to maintain their uniqueness, their choice of lifestyle and live fulfilling, happy and active lives throughout their care journey.

Residential care

Our Residential Care teams provide a place where people can feel part of a family, make friends and explore new interests, be encouraged to maintain their independence.

Bariatric care

Bariatric care is a specialised type of care and support designed for adults with obesity-related health conditions, who typically weigh 25 stone or more.

Nursing

We provide an environment that is peaceful, warm, and familiar to help individuals feel at ease and offer holistic nursing care around-the-clock, meaning individuals can experience care tailored to their needs, from the basic to the complex.

Respite and rehabilitation care

We provide respite and rehabilitation care that gives individuals time to relax and rest, safe in knowing we've got everything covered.

"I want to share my full support for Wombwell Hall and its incredible team, led by a dedicated and compassionate manager.

While working in this sector is never without challenges, the staff at Wombwell consistently go above and beyond to provide care that is both professional and heartfelt."

Creating an inclusive and connected community

We actively support and engage the local community through various initiatives aimed at developing strong connections and enhancing the lives of our residents and the wider community here in Northfleet.

We collaborate with local organisations and community groups to organise events and activities that involve both residents and community members. This includes hosting workshops and educational sessions that provide valuable information and support to families and caregivers. Our team have run pioneering work experience placements with local schools, including Northfleet School for Girls and Boys, helping students get hands-on learning and practical career pathways in the healthcare sector and regularly host events to bring local community groups together.

The team at Wombwell Hall are here for your entire care journey, supporting residents and their families.
