

Woodbury House Care Home

At Woodbury House, our residents experience warm and gentle care from a team who know them well and are passionate about supporting their care journey.

Our care environment

Set across three floors, Woodbury House provides residents with communal lounges and dining rooms throughout the home, as well as ample outdoor space, including gardens and a summer house, meaning peace and quiet is never far away.

Trained chefs prepare a varied daily menu to give a choice of tasty, nutritious meals, whilst our recreation and activities team oversee everything from pet therapy and reading club, to music exercises and knitting. Key calendar events are always made extra special at the home, because they enjoy any excuse for a party.

Our highly trained and compassionate care team provide residential, nursing and dementia care, working closely with residents to develop a personalised care plan that will include everything from hobbies, exercise and dietary preferences.

Why choose us?

Our team at Woodbury House Care Home distinguishes itself through its unwavering commitment to person-centred care, where each resident is treated as an individual. Our dedicated, expert staff create a warm, homelike environment where residents maintain their dignity and independence while receiving the precise level of support they require throughout their care journey with us.

Woodbury House also offers a vibrant community where residents can truly thrive. Our thoughtfully designed spaces and engaging activities program mean no one feels isolated, whilst also promoting mental well-being. Our beautiful grounds provide opportunities for gentle outdoor recreation, while specialised memory care services ensure those with cognitive challenges receive appropriate support.

Our types of care

Our care team at Woodbury House offers a variety of specialised care services designed to meet the diverse needs of our residents and their families. Our team and facilities are suited to provide a versatile range of care, supporting residents with both short and long-term needs across nursing, residential and dementia care.

Nursing

Our nursing care is designed to help individuals live a purposeful life in the way they choose or wish to. We provide an environment that is peaceful, warm, and familiar to help individuals feel at ease and offer holistic nursing care around-the-clock, meaning individuals can experience care tailored to their needs, from the basic to the complex.

Residential care

Our Residential Care teams provide a place where people can feel part of a family, make friends and explore new interests, be encouraged to maintain their independence. However you like to spend your days, we're here to help make it happen, supporting you on your entire care journey.

Dementia care

We support people living with dementia to maintain their uniqueness, their choice of lifestyle and live fulfilling, happy and active lives throughout their care journey. For us, it's not about the disease – it's about the person.

Creating an inclusive and connected community

At Woodbury House Care Home, we believe meaningful connections extend far beyond the walls of our care homes. Our care teams collaborate with local organisations, community groups, and charities to create vibrant events and activities that bring together our residents, their families, and the wider community. We regularly host workshops, educational sessions, fundraising events, and social gatherings that foster intergenerational connections.

These initiatives enrich our residents' lives while strengthening community bonds, combating isolation and creating a sense of belonging that enhances overall wellbeing. Our teams also actively participate in and support local initiatives, contributing our time and expertise to help build communities that are connected, inclusive, and thriving.

The team at Woodbury House are here for your entire care journey, supporting residents and their families.
